The Matriarch of the Marsters Family, our beloved mother, Beverly Babb Marsters went to the arms of our Lord and Savior on July 29<sup>th</sup>, 2019, following a brief illness and stay at the Hospice House of Auburn.

Beverly was a long-time resident of Canton, Maine. She was born in Bath, to Hebert E. & Erma (Small) Babb. She was educated at both Bath and Canton Schools, became a CNA after working at Forster's Mfg. in Wilton for 15 years before retiring. Before that, she was a homemaker, which she thoroughly enjoyed. Being with her family and friends throughout the years was of the utmost importance to her. Her favorite thing was going on road trips, dancing and just being around those that she loved and cared

about. Beverly was a very kind, strong caring woman whose door was always open to many at her residence in Canton which she made home for 33 yrs. Her open door continued at Whitney Brook for 13 yrs. She is survived by her sons; Douglas Marsters and his wife Paula, Scott Marsters and his wife Denise of Canton. Kevin Marsters of Laurens, SC; daughters: Kelly Marsters, her partner Ernie, of Peru. Terry Marsters, Barbara Marsters of Dixfield. Her wonderful 18 grandchildren, 13 great grandchildren, and 1 great-great grandchild, many nieces and nephews and her best friend Annie Soda.

Beverly was predeceased by 3 of her 9 children: Ronald Marsters, Timothy Marsters and her daughter Julie Marsters Olsen, the father of her children Arthur L. Marsters. Her parents, siblings David, Donald, George and Carol Babb. The family would like to thank her many friends over the years who showed their love and kindness to our mother. Thank you to St Mary's Hospital, CMMC and the Hospice House for giving our mom the most excellent care possible during her recent stay. Memorial Visitation will be on Saturday August 17, 2019 6-8 pm Wiles Funeral Home 30 Weld Street Dixfield, Maine. A Celebration of Life Service will be held on Sunday August 18, 2019 at 1 PM from the Canton Baptist Church, Canton with graveside services at Pinegrove Cemetery immediately following.

“ this lady was 1 of a kind. I worked with her at FMI. she used to pick me up and give me a ride to work and back home. I think we had more fun and learned more about each other in that short time then as if we had been friends since we were kids. I used to stop and visit her on the corner lol as she would say in canton a lot her door was always open.. RIP special lady! hugs and prayers for your family and friends.

“ So sorry for your loss, your mom was a wonderful woman with a huge heart and a kind soul. Later in years when we would run into each other she would always ask how I was doing and I her. May she rest in peace.
