“ He was a great guy. He was always there if you need help. I use to have a good time when George, Jennie, Mom and Dad (Roland) used to hang out. I use to love to go there and visit. He will be missed bye alot of people.

“ Eppie was a great friend to my Father and Mother later becoming a great friend to me and all my siblings. He was fun to talk with and remember the old times we had together. I am glad that I had a recent visit with him and talk about the old days and will remember him always. He will be missed by many and remembered forever. My thoughts are with the family during this sad time.
