

## Judith Dawn Baswell

June 1, 1947 - February 18, 2019

New Sharon, Maine – Judith Dawn (Loy) Baswell, 71, on Feb. 18, 2019, was escorted home with our Lord on one side and her son Derek Aaron Baswell on the other. For our loss is her rejoice, as she once again is with those that went before her.

She was born on June 1, 1947, in Ft Benning (Columbus) GA, the daughter of Herbert and Betty (Cooper) Loy.

Judith (Judy) retired from the United States Postal Service in Hot Springs Village, Arkansas. She was a member of the Missionary Baptist Church of Bismarck, Arkansas. She always enjoyed anything that had to do with family. Judy was always so proud to see her son Wayne on television with Oaklawn's Horse Racing and was so proud of her son Derek for his service as a Marine or coaching the kid's baseball. She admired her daughter DeAnne for starting a successful business and helping her community. Her 3 children gave her what she loved so much, a loving family. Judy often spoke her mind and it is only one of the many things that will be missed. Quick witted and always ready with a smile and a hug for her friends and family, who will miss this. In 2007 she moved to Maine where she found going to the casino with her best friend Mione would prove to be filled with the adventure only two slot lovers could share. Judy cherished spending time with her family on the phone and hearing about their day. She often went on Facebook to see pictures of them and follow their daily adventures as she watched them grow from afar. Everything that her "grandkids" or "great grandkids" did, made her beam with pride and she made sure to speak of them to her friends.

Judy is survived by her daughter DeAnne (Joseph) Douin of New Sharon, Maine, her son Wayne (Andrea) Baswell of Bismarck, Arkansas, Her daughter-in-law Toni Baswell Willis of Hot Springs, Arkansas, her brother Herbert (Cher) Loy of East Brunswick, New Jersey, brother-in-law Dale Baswell, and brother-in-law Billy (Naomi) Baswell She also had 7 loving grandkids – Destiny (Cory) King, Dakota (Ashley) Baswell, Jacob (Keelie) Baswell, Darin Douin, Jeremiah Blue Baswell, Gabriel Baswell, and Phoenix Willis and 5 Incredible Great Grandkids, Bristol, Byron, Rhett, Rustyn, Bella Kate and several nieces, nephews and other family. Near and far she loved them all.

Judy was predeceased by her parents, her son Derek Aaron Baswell,

“ Judy, Gio and I all started the same day at the Post Office. I remember we had some good times. We made it through our 90 days and became career employees at the Post Office. We worked in the same office at times and sometimes different offices. We would have a good time when we were together. You could always call Judy a friend. We missed her when she moved to Maine but connected again through facebook. I know she is happy being with Derek again. She has a wonderful family that will always remember her. And she will live on in her kids and grandkids.

“ There is not enough room her to share all my memories and love for Judy. She was such a good and wonderful person. Every one that knew her had wonderful times with her. When I was a teenager, her and Don Wayne, Steve and Mary would haul us kids and our horses to horse shows so we could participate, we played cards and cooked, we went camping, we took road trips together. Spent many days together talking and laughing. She was always there for me and my siblings. Even after Judy and Don Wayne divorced she was still a big part of our lives. She never divorced us and we never divorced her. She was here for the birth of my Grandson Logan, who was born on her birthday. Even as a visitor in Texas, she was the life of the party. She never met a stranger and once she met them they never forgot her. All of our friends here in Texas loved her and will miss her as much as we all will. She Loved much, Laughed often and lived well. That saying was written with her in mind. A big part of our life is gone, but never will it be forgotten and always will be thought of with a smile on our faces. We all loved you very much Judy.

“ When we were younger we spent lots of time together playing cards and raising your two older children and my one son together. A lot of late nights and days playing canasta together. Love that time. Life just took me to other places but I'll always remember the fun we had together. Rest in peace my dear friend until we meet again.

“ Judy and I were friends for a lifetime. My kids were hers and hers were mine. We spent many evenings playing cards and laughing. We don't see each other very often but could talk as if we were never apart. We each had a child in heaven and both felt the grief of losing the 2. Both were our babies. I know today she is with Deek (Derek) and Peanut ( Angie). She just went before me. I know she is loving on them both. I love you my friend...until we meet again.

“ Judy was so kind to kids that grew up with her kids, but never afraid to speak her mind. Loved her sweet smile and laugh. My parents loved Judy. Her legacy will live on in her children, grands, and great grands.
