April 19, 1974 - October 29, 2019

BOSTON, MASS. – Scott Henry Ladd, 45, of New Sharon, Maine joined God on Tuesday Oct. 29, 2019, at Brigham and Women’s Hospital, Boston, where he had been a patient for over a month undergoing numerous VAD procedures.

He was born on April 19, 1974 in Farmington, Maine a son of Patricia Elaine Eaton Ladd and David Alton Ladd. He was a 1992 graduate of Mt. Blue High School where he excelled in academics, managed many varsity sports teams, and played on the lacrosse team. He continued his education at UMF and Central Maine Community college where he studied computer technology.

He was employed at RSU 73 for 12 years where he was the Tech Lead and Data Specialist in the Spruce Mountain School District’s Technology Department. Previously, he was a manager at Farmington Burger King, where he was well liked and embraced by the many regular patrons.

He was an extraordinarily devoted dad who cherished time spent with his son and daughters: playing games, watching movies, going to zoos and amusement parks, and attending Sea Dogs games. He truly relished time with his extensive family, friends and community. He was passionate about computers and technology, he followed New England teams, and he enjoyed outdoor recreation and sports.

He is loved by his surviving family: his daughters, Dannica and Katelynn, and his son, Alex; his mother, Patricia Ladd, and his step-dad, Sonny Child, of Farmington Falls; his sister, Becky Goodridge, and her husband, Andrew, and their children, Tyler and Sydney, all of Augusta; and lots of aunts, uncles and cousins.

“ I'm very sad to hear of Scott's passing. I think I met him around middle school and remained friends thru high school. Scott fueled my desire to learn about computers and we also had contests to see who could build the best paper airplane. It was always nice to chat with him at the BK drive-thru. Condolences to his family and friends

“ My deepest sympathies to Scott's family. I worked with Scott at SMHS, and LFHS prior to that. A good man with a ready smile who would always geek out with me and chat at length about our mutual interests. He will be much missed by his work colleagues.

“ Scott will be deeply missed by all of us who have had the pleasure of knowing him. As Robbin said he was always will to help out and as one who lacked the skills of the computer world, Scott was patient and kind. My thoughts are with his family. I am so sorry for your loss.

“ My heartfelt condolences to Scott's family. Scott had a way of making everyone feel welcome with that special smile of his and his various tales. He would stop by my room at the end of the day to remind me that I didn't need to fill the shoes of my predecessor by staying so late and then we would talk for another half hour or so. Scott it will be difficult to fill your shoes. You will be missed.
